**SPECIAL TRANSIT SERVICES**

**BLUE ARROW GETS YOU THERE FAST!**  
That's what riding a bus is all about — avoiding time, expense and traffic hassle of taking a car or going the long way round. Blue Arrow Service finds the shortest way home for the long distance commuter; it focuses on the outlying residential areas and the downtown core — makes a minimum of stops getting you between the two. And now you can park and plug in for free at the Haddon Road and McMahon Stadium terminals. Dial 262-3931 for schedule information.

**PARK FREE 'N' RIDE WITH CT**  
Drive your car only as far as the nearest CT "Park Free 'n' Ride" bus stop — park it free, then hop the next bus. You won't have to fight your way through congested downtown traffic. What's more, there's no \$20.00 or \$30.00 parking tab to pick up at the end of every month. Ride with pride; it's cheaper, too.

**A DIME DOES IT! DOWNTOWN SHUTTLE**  
Lunch hours are all too short... so if you've got lots of territory to cover, board the Downtown Shuttle bus. No waiting — it stops at all the downtown bus stops. Runs from 9:12 a.m. to 3:45 p.m., Monday to Saturday. Why jog the downtown circuit, eating your lunch on the run? The CT "shoppers' special" makes more sense — and it's only 10c.

**SING-ALONG, SAVE-ALONG. CHARTER A BUS!**  
It's so much easier for you to organize a group outing — business or pleasure — when you charter a deluxe CT coach. You'll enjoy professional driving, heated coaches, even a public address system. Go together. Go with Calgary Transit's charter service — anywhere in Calgary, or within 25 miles of city limits. Call 268-2751 for information.

**THROUGH SERVICE ... PENNANT EXPRESS**  
The CT Express... coming and going, it's a great time-saver! Provides "through service" from your community to Calgary's downtown area. Look for the flag that denotes your destination:
