That's what riding a bus is all about — avoiding time, expense and traffic hassle of taking a car or going the long way 'round. Blue Arrow Service finds the shortest way home for the long distance commuter; it focuses on the outlying residential areas and the downtown core — makes a minimum of stops getting you between the two. And now you can park and plug in for free at the Heritage Station, Southland Station, and McMahon Stadium terminals. Dial 276-7801 for schedule information.

Drive your car only as far as the nearest CT "Park Free 'n' Ride" bus stop — park it free, then hop the next bus. You won't have to fight your way through congested downtown traffic. What's more, there's no \$20.00 or \$30.00 parking tab to pick up at the end of every month.

Lunch hours are all too short . . . so if you've got lots of territory to cover, board the Downtown Shuttle bus. No waiting — it stops at all the downtown bus stops. Runs from 9:15 a.m. to 3:52 p.m., Monday to Saturday. Why jog the downtown circuit, eating your lunch on the run? The CT "shoppers' special" makes more sense — and it's only 15¢.

It's so much easier for you to organize a group outing — business or pleasure — when you charter a deluxe CT coach. You'll enjoy professional driving, heated coaches, even a public address system. Go together. Go with Calgary Transit's charter service — anywhere in Calgary, or within 25 miles of city limits. Call 277-9711 for information.
