

How To Use Teleride

It's easy to connect with your Teleride bus stop numbers. Call 974-4000 for timely and accurate information about current buses, future bus times and general transit information.

Go to the bus stop that you use. Record the four digit Teleride bus stop number. Keep the bus stop number by your phone.

Call the Teleride phone number.
Touch Tone 974-4000
Rotary Dial 974-4004

There are three types of information you can access to help you use Calgary Transit.

After calling Teleride you will be asked to:

Press (or dial) 1 to obtain Current Bus Times (the next two or three buses). Call every day. Teleride tells you if there are any delays on your route caused by detours, construction, weather or traffic.

Press (or dial) 2 to obtain Future Bus Times (buses you want at a later date or time, up to a week in advance).

Press (or dial) 3 to obtain General Transit Information (fares, special events, etc.).

After making your choice, a friendly computerized voice will guide you through each step required to obtain the information you need.

Accessible Transit Service

C-Train Accessibility

All station platforms are accessible to customers with reduced mobility except Anderson which is scheduled for improvements in the future.

The Buses Everyone Can Ride

Calgary Transit operates accessible low floor buses on many transit routes. For more information about low floor bus service, refer to specific route schedules, or call Calgary Transit Customer Services at 262-1000.

Wheelchair Customers

Customers travelling in wheelchairs need strength and mobility to board and exit low floor buses and to use the wheelchair securement straps. Calgary Transit strongly recommends that wheelchair customers travel with a companion or attendant who can assist them. Calgary Transit will issue Attendant Cards that may be used as valid fare payment for an attendant accompanying a wheelchair/scooter user. Customers travelling in wheelchairs and scooters must pay a transit fare.

Courtesy Seating

A courtesy seating area for people with limited mobility has been designated near all C-Train and bus doorways. Calgary Transit encourages customers to allow people with limited mobility to use these seats.

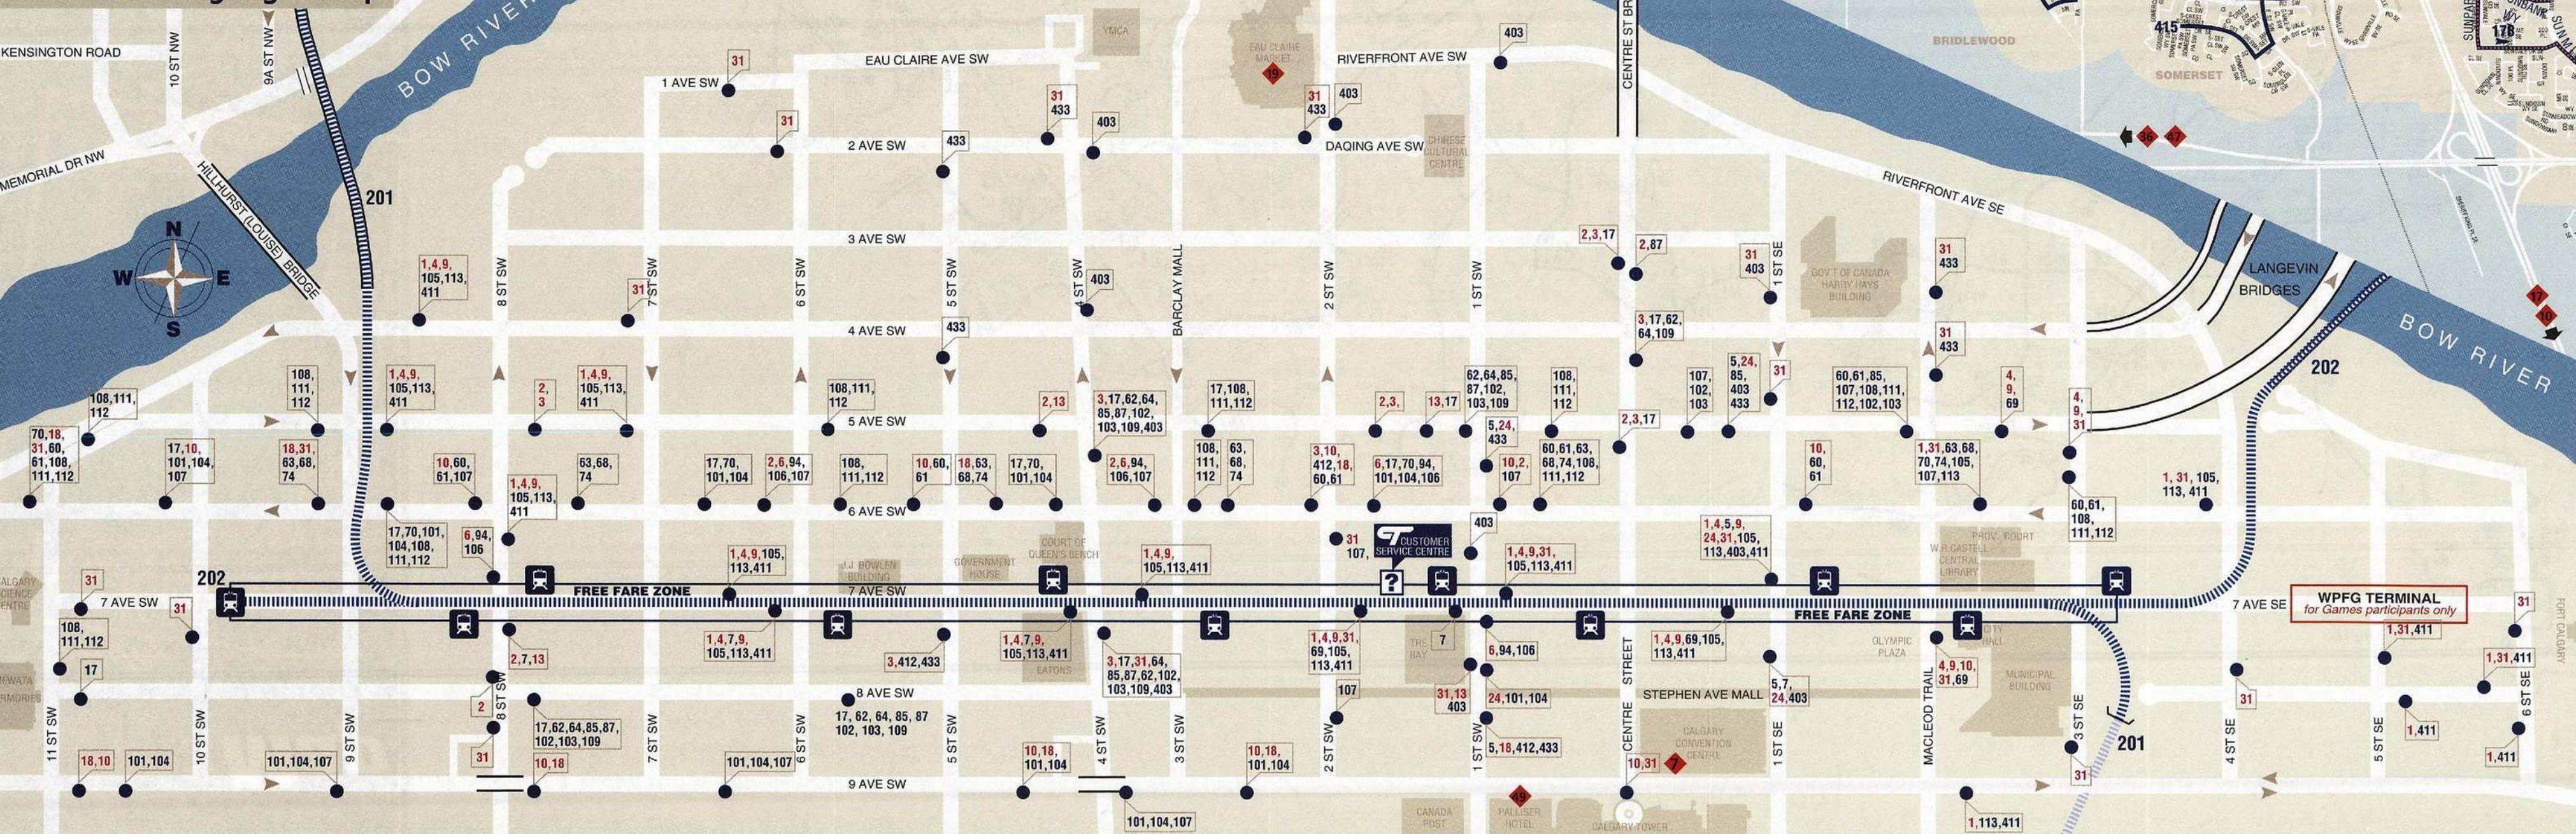

Next Stop

The "next stop" sign at the front of the bus lights up and a bell rings when a customer pulls the cable along the bus windows or pushes the button on the vertical grab bar in the priority seating area. This informs customers with a hearing or visual impairment that the bus will stop at the next zone.

Stop Request

Stop Request allows customers to get off buses at locations along the route other than the regular bus stops, after 5p.m. The request must be made to the operator at least one stop ahead of the stop requested. To accommodate your request, the operator must be able to stop safely. For information on this service, talk to your operator or call Calgary Transit Customer Services at 262-1000.

Service Information

The chart below shows whether a bus route is operating during a given period of time or on a specific day. It also gives the approximate frequency of that route in minutes. For more specific schedule information please phone your Teleride number or the CUSTOMER SERVICES TELEPHONE INFORMATION LINE at 262-1000. Individual route schedules may be obtained from your bus operator.

WEEKDAYS	SATURDAYS
AM Peak 0600 - 0900	Day 0600 - 1800
Midday 0900 - 1500	Evening 1800 - end of service
PM Peak 1500 - 1800	
Evening 1800 - end of service	SUNDAY - All Day

- No service provided
- Irregular Service - bus operates for only a few trips each day and does not have a set frequency.
- Low floor bus routes
